※The places listed in parentheses are the main tourist attractions in the area.

※The roads are closed to areas 18, 19, and 20 during winter from the end of November to April. These areas are not covered by the flat-rate taxi during this period.

※The fares listed above are for a standard-sized vehicle that can seat 4 people. If you do not think all of your luggage will fit in the trunk of a standard-sized vehicle, please book multiple taxis or a large-sized taxi. For more information on the other types of cars available, please contact the taxi company in question.
